PARADE OF PONDS 2008

With one more year of landscape growth, this pond will prove to be well worth your visit.

Join us on this years walk as we tour over 25 area ponds. You will truly enjoy viewing these natural looking, low maintenance ponds as area pond owners show you their works of art. You will love the peace and tranquility of this tour and you will be supporting a good cause with your paid admission. In addition, our pond experts will be available throughout the day to answer your questions.

Mark your calendar. This years Greater Green Bay Area "Parade of Ponds" Tour has been scheduled for July 19th and 20th.

Tickets may be purchased for \$8 (children under 12 are free) at the Lizer Landscape office; 2043 Bellevue Street, Green Bay, WI. Each ticket includes a brochure with participant's names, address, description of their backyard get-a-way, directions and a map showing the locations.

Lizer Landscape is proud to be the sponsor for the "Parade of Ponds" tour. As in years past, all proceeds will be donated to charity. Last year, we hosted over three hundred guests and raised \$1,600 for the Green Bay Botanical Garden's "Children's Garden Fund." This money was used to redesign and install a new interactive water garden that will be featured again this year.

The GBBG Children's Pond features a bog system which feeds a 72' stream section. This stream contains four waterfalls and a rapids leading to three different

NOMINATE A FRIEND

Do you know someone who is proud of their pond? We are always looking for new ponds to include on the "Parade of Ponds" tour. If you would like to nominate a friend or family member who has a beautiful pond, please send a letter of nomination to:
